

To Whom it May Concern,

\_\_\_\_\_ will be performing in our production of *The Nutcracker* on December 7, 2018. This performance is sponsored in conjunction with Denton Independent School District and Mrs. Sue Bancroft. The event allows our performers the opportunity to share the timeless classical tale set to Tchaikovsky's brilliant music with 19 schools and approximately 2,000 third grade Denton ISD students. The production combines local youth talent from Denton and surrounding counties, along with local and worldwide professionals, to offer educational experiences to both performers and audiences.

Please allow our dancer to have an excused absence for participation in this important event.

If you have any questions, please don't hesitate to call me at 940 891-0830.

Sincerely yours,

Eldar Valiev
