Please note that these rehearsals have larger groups, and larger groups bring challenges. Below you will find some helpful hints and reminders to make this time easier for everyone.

- Arrive early so rehearsal can start on time.
- Allow extra time for parking. Parking is available in the studio front and back lots. Please do not park next to the Danse Boutique. You can park across the street at NT Chiropractic after business hours. Please do not park directly in front of Metzlers. Towing is strictly enforced.
- Allow extra time to sign-in at the desk. It's very important to sign-in since some rehearsal groups can swell to over 50 dancers. You may also need extra time to put on shoes, use the restroom, or change
- Dance bags and personal items should always be tucked under benches and chairs. They should never be left in traffic areas, on stairs, or in chairs. Good housekeeping allows everyone to navigate safely and offer the most seating available to those patiently waiting during rehearsals.
