

# Festival Ballet of North Central Texas – The Nutcracker 2018 Tech Week/Performance Schedules

---

Review the following publications immediately and prior to Tech Week and Performances!

- Tech Week & Performance Instructions
- Costume Guidelines for Male/Female
- Performance & Casting Information

## General Information

- Tech Week will be held at TWU Margo Jones Hall, 305 Pioneer Circle, Denton, TX.
- Only water is allowed in dressing rooms and in the house area.
- Where noted, “All Cast” applies when the individual is in all performances.
- Understudies do not need to be present for performances.
- Absolutely **no photography or videoing** in dressing rooms or in the auditorium during performances.

## Tech Week Overview

- Dancers must arrive with **hair and make-up complete** and dressed in appropriate undergarments.
- All dancers and Dressing Room volunteers will enter via the small side backstage door facing Oakland Street.
- All dancers should sign-in when they arrive. Cast lists will be posted in the dancer entry area.
- All dancers will be seated in the auditorium (house); areas will be labeled by role.
- Remain seated until the dancer group is called for costumes.
- Remain quiet while in the auditorium.
- The schedule is published specifically to let you know when to arrive. Times may change depending on need. We will prioritize younger dancers where possible.
- Please no playing or running through the aisles, including between seats, in the auditorium. Distractions create delays and hazards and are a general nuisance to those patiently waiting.
- **Volunteers are shown on the schedule. Please take note of arrival time.**
- *Dressing Room Volunteers will have a brief mandatory meeting during dress rehearsals. Attend the one that correlates with the group you will be dressing during performances.*
